Certificate

Patent No. 5,960,067

Patented: September 28, 1999

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: William K. Riceman, Greenville, SC (US); Stephen A. Hollock, Otego, NY (US); and Robert G. Riceman, Oneonta, NY (US).

Signed and Sealed this Twenty-Second Day of July 2008.
